Title: The dangers of loud music

Author/Speaker: source : <https://breakingnewsenglish.com/1503/150302-loud-music.html>

Pre-Reading Discussion Questions:

1. When you listen to music, how loud do you like it to be?
2. Do you like to have some types of music louder than others?
3. How do you feel about loud music in public places, such as restaurants, stores and clubs?
4. Do you usually use headphones/ear buds when you listen to music? What are the advantages and disadvantages of them?
5. Do you think in the future more people will experience hearing loss at an earlier age because of loud music?
