

VAdv Written Response Marking Rubric

Student Name: _____

Date: _____

17-20 points = Written Response was very successful

13-16 points = Written Response was moderately successful

9-12 points = Written Response was only partially successful

0-8 points = Written Response was not successful

	WRITTEN RESPONSE 1	17-20	13-16	9-12	0-8
K E Y Ideas	Student clearly expressed the key ideas from both the reading and TED Talk concisely and succinctly. From this basis, reader is able to logically follow subsequent associations and conclusions.				
A S S O C Ideas & Con	Following the integration of key ideas from the reading and TED Talk, student successfully synthesized ideas by forming relevant associations between them and expressing unique implications or conclusions arising from them.				
O R G	Information is logically organized (as per specified outline), and the sequencing of associations and conclusions is coherent with the expression of key ideas. Paragraphs are well formed and developed (as per specified outline). Transitional phrases are accurate and appropriate, and other aspects of cohesion (including substitutions) are well managed.				
G R A M	Grammar structures are appropriate and accurate. Structures are varied as per VAdv expectations, with a range of sentence types and complex phrasing attempts.				
V O C A B	Vocabulary is appropriate to the theme of both reading and TED Talk - word forms are accurate. Range of high frequency and lower frequency present with some idiomatic and stylistic attempts.				
M E C H	Punctuation and spelling are accurate. Capitalization and paragraph formation are accurate.
