

## VAdv Oral Response 1 Marking Rubric

Student Name: \_\_\_\_\_

Date: \_\_\_\_\_

17-20 points = Oral Response was very successful

13-16 points = Oral Response was moderately successful

9-12 points = Oral Response was only partially successful

0-8 points = Oral Response was not successful

	ORAL RESPONSE	17-20	13-16	9-12	0-8
<b>K E Y  Ideas</b>	Student clearly expressed the key ideas from both the reading and listening texts concisely and succinctly. From this basis, listener is able to logically follow subsequent associations and conclusions.				
<b>A S S O C  Ideas &amp; Conc</b>	Following the integration of key ideas from the reading and listening texts, student successfully synthesized relevant ideas by forming associations between them and expressing unique implications or conclusions arising from them.				
<b>O R G</b>	Information is logically organized, and the sequencing of associations and conclusions is coherent with the expression of key ideas. Transition or signaling phrases are accurate and appropriate, and other aspects of cohesion are well managed.				
<b>G R A M</b>	Grammar structures are appropriate and accurate. Structures are varied as per VAdv expectations, with a range of sentence types and rhetorical phrasing germane to oral presentations.				
<b>V O C A B</b>	Vocabulary is appropriate to the theme of both texts, and word forms are accurate. Range of high frequency and lower frequency present with some idiomatic and stylistic attempts.				
<b>P R O</b>	Phonemes are mostly accurate along with syllable and word stress. Appropriate intonation patterns are present with good effort to sustain a reasonable speech rate.
