Title: Practical, Smart Advice For Changemakers From A Young Climate Activist

Author/Speaker: Jamie Margolin

Pre-reading Discussion Questions:

1. What are some of the causes/issues that young people care about these days?
2. What can people do to support the causes they care about?
3. Is climate change an important issue for our world in 2021?
4. What are some of the negative effects of climate change that you have heard or read about?
