

VInt Oral Response Marking Rubric

Student Name: _____ Date: _____

17-20 points = Oral Response was very successful

13-16 points = Oral Response was moderately successful

9-12 points = Oral Response was only partially successful

0-8 points = Oral Response was not successful

	ORAL RESPONSE 1	17-20	13-16	9-12	0-8
M A I N Ideas	Student clearly expressed the main ideas from both the reading and listening texts. From this basis, listener is able to logically follow subsequent connections and conclusions.				
C O N N E C T Ideas & Conc	Following the integration of main ideas from the reading and listening texts, student successfully synthesized relevant ideas by forming connections between them and expressing results or conclusions arising from them.				

O R G	Information is logically organized, and the sequencing of connections and conclusions is coherent with the expression of main ideas. Transition or signaling phrases are accurate and appropriate, and other aspects of cohesion are well managed.				
G R A M	Grammar structures are appropriate and accurate. Structures are varied as per LInt expectations, with a limited mix of simple and complex forms and some rhetorical phrasing typical of oral presentations.				
V O C A B	Vocabulary is appropriate to the theme of both texts, and word forms are accurate. High frequency and some lower frequency. Some idiomatic language attempts.				
P R O	Phonemes are mostly accurate along with syllable and word stress. Appropriate intonation patterns are present with some efforts to sustain a reasonable speech rate.
