

BUILD YOUR OWN QUESTIONS WORKSHEET

First, choose the building blocks of your questions:

1- Choose your Artifact

2- Choose the aspect you want to explore

3- Choose the area of impact you want to explore

4- Choose the stakeholder you want to focus on

Then, combine your cards to build your future exploration questions. Consider the following example:

In a world where technologies like **EduWell** exist, how could the **expectations** of **equity** for **administrators** change?

Mix and match your exploration questions here:

Capture your answers to your questions here:

In a world where technologies like **INSERT ASPECT CARD HERE** exist, how could the **INSERT ASPECT CARD HERE** of **INSERT AREA OF IMPACT CARD HERE** for **INSERT STAKEHOLDER CARD HERE** change?
