

This open textbook was originally created and/or adapted by the British Columbia Open Textbook Project. The British Columbia Open Textbook Project is funded by the B.C. Ministry of Advanced Education and the Hewlett Foundation. It is managed by BCcampus, a publicly-funded organization that uses information technology to connect B.C. post-secondary institutions under a collaborative service delivery framework. The Open Textbook Project aims to make publicly available openly-licensed textbooks in the province's high-impact subject areas.
